Sacrifice of 108,000 butter lamps during the Kagyu Meunlam 2013

Our Vienna Karma Samphel Ling pilgrimage-group will travel on 07. December 2013 to Bodhgaya/India to participate at this year's Kagyu Monlam. At this pilgrimage we will visit also the holy places in the surroundings of Bodhgaya and Sarnath/Varanasi. As every year we will plan to sacrifice 108,000 butter lamps during the Kagyu Monlam and invite you to participate by donating to it.

It is said that sacrifices at such a special place are also particularly meritorious. That's why I was willing to organize this, for those who are not able to travel to Bodhgaya.

Any amount of money is welcome for the planned light sacrifices. In any case, all of the money which we will receive from you will be used only for this purpose.

Please use codeword „light offerings 2013“ for your Donations to our account of the Buddhadharmazentrum Vienna: (Please don't forget to add your address on the moneytransfer)
