

"Spending years and years  
in meditation is excellent,  
but it is nothing compared  
to a single moment of  
remembering the guru.  
Even just remembering the  
guru's name will dispel  
confusion and accumulate  
countless oceans of merit."

Dzongsar Khyentse Rinpoche

"It is now the responsibility of everyone  
who received Shamar Rinpoche's teachings,  
blessings and empowerment, to continue his or her task  
in working together for the benefit of others."

Jigme Rinpoche
