The practice of saving lives

Khenpo Rinpoche has always strongly encouraged his disciples to practice saving lives. As **Karma Samphel Ling**

,
we have helped to release 1 million small creatures in recent years with the help of donations
.

This year we will continue the practice of "**saving lives**" and release small creatures again in the summer.

The prerequisite is, of course, that the creatures have their ecological home here.

Anyone who would like to donate to this cause, under the keyword "**Saving Lives**", to Karma Samphel Ling, Buddhadharma Centre Vienna:

May the good that has come out of it serve the good of all beings. May the activity of the Bodhisattvas, especially Karmapa, Shamarpa and Khenpo Rinpoche, unfold unhindered and may they live long. May the wishes of the Buddhas and Bodhisattvas be fulfilled for the benefit of all beings.
